anton@antonsten.com · [www.antonsten.com](http://www.antonsten.com) · Sweden

I'm a product design leader with 25+ years of experience shaping digital products that improve people's lives. I help teams move from assumptions to clarity—balancing user needs, business goals, and technical reality to build products that work in the real world.

## Experience

### Studio Anton Sten (Remote / Sweden)

February 2009 - Present

Product designer

Independent consultancy working with global brands on product design, design systems, and design strategy.

- Partnered with companies including IKEA, Herman Miller, Loom, Google, Spotify, and others on digital products and design initiatives.
- Led end-to-end engagements spanning UX, product strategy, design systems, and brand-aligned digital experiences.

### Summer Health (Remote / NY / SF)

July 2022 - December 2025

Founding designer → Head of Design

A 24/7 pediatric telehealth service, where I oversee the full design experience—from core app flows to brand, marketing, and design systems.

- Built the product from 0→1 and shaped the parent + clinician experience across app, EHR tools, and AI-assisted care.
- Created the design system and standards used across product and marketing to improve consistency and speed.
- Led research with parents and clinicians, influencing roadmap, feature scope, and overall service quality.

### Titan Space (Remote / LA)

Jan - Nov 2022

Acting Head of User Experience

Defined the UX direction and design language for mission-critical interfaces supporting enterprise space experimentation.

- Designed operator and customer experiences enabling routine space experiments on Earth and in orbit.
